ABOUT ME

HELLO I'M

MUHAMMAD SHAHABAS RIYAS T.K

Welcome to my portfolio! I'm an aspiring graphic designer and 3D artist with a Diploma in Multimedia Animation. I'm passionate about visual storytelling and enjoy turning ideas into meaningful designs.

With 6 months of experience in poster design, marketing strategy, and basic video editing, I've learned how visuals and motion work together to communicate effectively.

This portfolio showcases my creativity, growing skills, and commitment to continuous learning in design and 3D modeling.
